Moving Truck Information Packet

The Linda Frierdich Group Moving Tips

1. **Clearances**-Please note– the height & length of the Truck before driving
2. **Drive Thru's**-Please **DO NOT** drive through Restaurants, Hotels, Banks, or Service Station drive-thru's, overhangs or canopies. There **IS NOT** enough height or width clearance.
3. **Slowing & Stopping**– The truck requires a little additional distance when slowing & stopping than the vehicle you are used to driving. A loaded truck can take 9 times as long in time and distance to stop as a passenger car. Please be sure your cargo is secure to avoid shifting.
4. **Parking & Backing Up**– Please set and use the mirrors. Please set the parking brake before getting out of the truck. Lock the truck & take the keys with you.
5. **Operating**-Drive a little slower and avoid passing. Please make sure to turn off radio, heat or A/C & all lights.

**If you have a mishap, please call the Police right away. Insurance companies require a police report when filing a claim. Then, please call your insurance agent. Finally, call The Frierdich Group at 618.719.3134 and let us know what happened. If your insurance carrier denies the claim, you will be required to pay the deductible of Century 21 Advantage's Policy, plus a \$100 service charge.

****PICK UP IS AVAILABLE AFTER 8 AM AND TRUCK MUST BE RETURNED BY 7:00 AM THE FOLLOWING DAY**
